2. Guest coaches

A request had been made for club members to take training on the first Tuesday of every month. This could be done individually or in pairs. Both the sign-up sheet and a link to coaching resources would be re-circulated. (**ACTION: Ed**) Matt and Marc would take the session in March, Ed in April and Lizzie, possibly, in May. Anyone interested in learning more about coaching could be supported towards a Level 1 course.

3. Summer tournaments and friendlies

Most tournament dates had been released and there was interested in attending those in Bristol, Leicester and possibly also Abington or Korfstock (Milton Keynes). These would be added to the heja app to find out everyone's availability (**ACTION: Marc**). A place would be reserved at Leicester as it filled up quickly (**ACTION: Ed**).

Enquiries had been made with Nottingham University and Manchester Hawks about arranging friendlies, now that the league season had finished.

4. Refereeing course

A theory course was taking place on Saturday 7th March and 10 members of the club had signed-up. The course would be advertised to other clubs in the Area (**ACTION: Sarah**) who would be charged to attend, whereas the Club would subsidise the course for its members. The time and venue were yet to be confirmed.

5. Finances

An invoice was needed from Nigel Cooper so that a fee of £30 for the website could be paid to him (**ACTION: Eleanor**). The affiliation fee to SaCKA was due (**ACTION: Rob**).

6. England Korfball (EK) AGM

EK's AGM was taking place on Saturday 29th February and the Club's votes would be submitted online (**ACTION: Ed**). It was agreed to abstain on the votes on increases to affiliation fees, on the basis that all clubs paid the same fee regardless of size or location, and EK's proposal to become a charitable organisation, due to a lack of information about what implications this may have.

7. Date of next meeting

Regular catch-up meetings would be held before training on the last Tuesday of every month.
